FABRICS

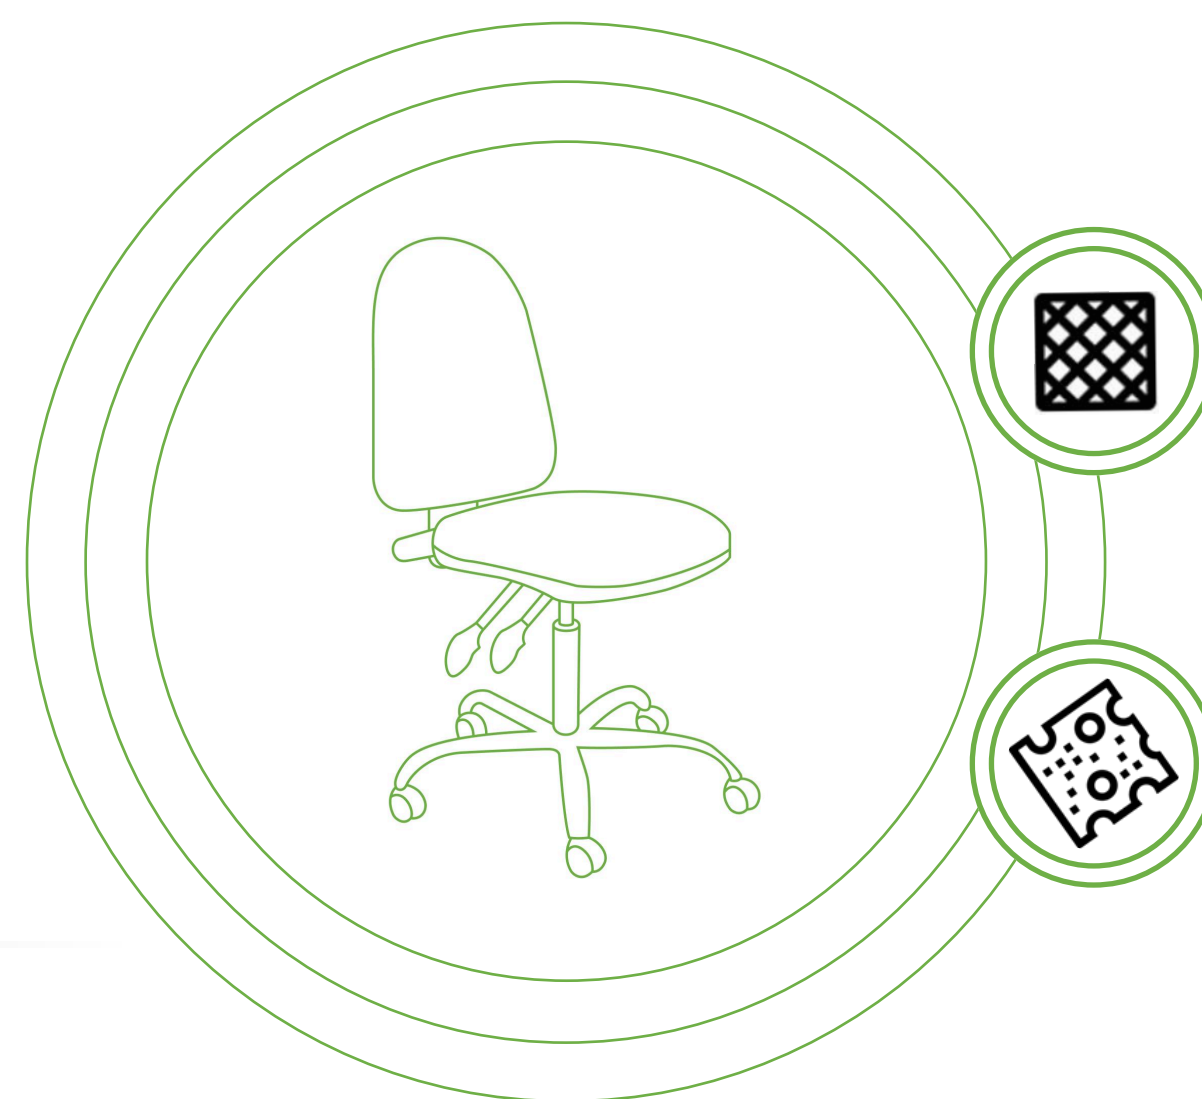

Fabric shade in reality may slightly differ from that presented in the catalog.

Comfort of use: Ergonomically contoured seat and backrest made of high-resilience foam. Wide range of adjustments ensure a comfortable position even during long periods of work.

Ease of Maintenance: The chair is upholstered with a durable fabric that is easy to clean and resistant to stains. It is equipped with rubber-coated castors that protect the floor surface from scratches.

Durability: A sturdy five-star chrome base and wear-resistant fabric ensure long-lasting use even under intensive conditions.

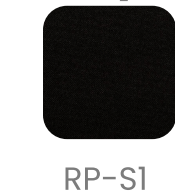

Application: The Comfort chair performs excellently in industrial environments, workshops, and offices, offering modern design, durability, and stability.
